- a) **we** will only pay one of items 1-4 inclusive, 5a) or 6a) to an **insured person** in respect of any one **accident** and all cover under this policy will stop in respect of that **insured person** from the date of the claim payment.

- h) **we** will make only one payment in respect of item 13 for each **dislocation** (a)-i) inclusive). Once **we** have paid a claim for a **dislocation**, **we** will not pay any further claim for the same joint if you **dislocate** it again in another **accident**. This restriction applies to each **insured person** for the lifetime of the policy.
- i) **we** will pay 50% of the amount shown under item 15 for **hospitalisation** for **insured persons** aged over 65 at the date of the **accident**.
- j) **we** will pay item 16 for each **day** of **hospitalisation** that occurs within the first 26 weeks of the **accident**.
- k) if **you** suffer **bodily injury** whilst on a **motorcycle** the amounts payable for all items claimed under this policy are reduced by 50% and the maximum total amount payable is €125,000 (Gold cover) and €250,000 (Platinum cover) for any one **accident**.

- We** will not pay any benefit if **you** reside outside of the Republic of Ireland for more than 180 consecutive days (see 'Section 8 - General policy conditions' for more details).

Section 7 – Existing medical conditions

We will only pay for the **bodily injury**

you have suffered if it is directly as a result of the **accident**. Any existing physical impairment or medical condition **you** have before the **accident** will be taken into consideration in calculating the amount payable on the basis of the difference between **your** physical impairment or medical condition before and after the **accident**.

We will ask **your doctor** (if suitably qualified) or the **medical consultant** that treated **you** to make these assessments (or an independent **medical consultant** or other suitably qualified person if they are unable or unwilling to do so). The assessment will be converted into a percentage and applied to the policy benefit payable.

Example

You are partially blind in **your** left eye and **you** then had an **accident** which left **you** totally blind in both eyes and you make a claim under item 6a) for **loss of sight** in both eyes. **We** will ask an independent ophthalmic specialist to assess the difference between the amount of vision **you** had before and after the **accident** and if the partial blindness contributed to the cause of the **accident**. If the independent ophthalmic specialist assesses the pre-accident vision in the left eye at 50%, **we** will pay 50% of the benefit payable but under item 6b) for **loss of sight** in one eye. If the vision in the right eye was normal before the **accident**, **we** will pay 100% of the benefit payable also under item

6b) for **loss of sight** in one eye for the total **loss of sight** in that eye. If **you** had purchased Gold cover, **you** will receive a payment of €97,500.

Section 8 – General policy conditions

1. Assignment

This policy may not be assigned or transferred unless agreed by **us** in writing.

2. Claim notification

All claims must be notified as soon as is reasonably practical after the event which causes the claim. Failure to do so may result in **our** rejection of the claim if it is made so long after the event that **we** are unable to investigate it fully, or may result in the **insured person** not receiving the full amount claimed for if the amount claimed is increased as a result of the delay.

3. Interest on amounts payable

We will not pay interest on any amount paid under this policy.

4. Disappearance

If **you** disappear and, after a suitable amount of time and on the evidence provided, it is reasonable for **us** to believe that **you** have died as the result of an **accident**, then **we** will pay the accidental death benefit to **your** legal representatives or executor and their receipt will discharge **our** liability under

the policy. If this belief is incorrect then the amount paid must be returned to **us**.

5. Law and jurisdiction

This policy will be governed by the laws of the Republic of Ireland and its courts will have exclusive jurisdiction, unless agreed to the contrary by the **policyholder** and **us** before the **effective date**.

The terms and conditions of this policy will only be available in English and all communication relating to this policy will be in English.

6. Policy and premium alteration

We may change the terms and conditions, including the premium, of the policy as considered necessary to reflect any event outside **our** control that **we** expect to have an impact on future claims which **we** could not reasonably have foreseen when **we** last reviewed the policy terms and the premium, or in the event of any change in the law affecting this policy, for example a change in Insurance Premium Tax or other tax. Before **we** make any changes, **we** will give the **policyholder** 30 days notice in writing to the **policyholder's** last known address.

If the changes are acceptable to the **policyholder** then this policy will continue.

If the changes are not acceptable, the **policyholder** may cancel this policy in

accordance with the 'Cancelling the policy after the cooling off period' section. If this happens no claims will be paid for any **bodily injury** suffered by an **insured person** after the date of the cancellation. **We** will return to the **policyholder** any premium already paid to **us** in advance for cover that is unused at the date of cancellation.

The **policyholder** is responsible for notifying **insured persons** of such cancellation or any changes to the terms and conditions.

7. Premium payment

The premium is payable monthly or annually, as shown in the **schedule**. If the premium is payable on a monthly basis, it is due by the first premium due date and subsequently on the 1st day of each month thereafter. Each premium paid, purchases cover under the terms of this policy for the whole calendar month the premium due date falls in. If the premium is payable annually, it is due by the first premium due date and on each anniversary of that date. Each premium paid purchases cover in the terms of this policy for the 12 calendar months following the due date.

If any premium is not paid on the date it is due, the **policyholder** has 30 days in which to pay it. If it is not paid during that period, the policy will be automatically cancelled from the date on which the unpaid premium was due. If the premium is paid during the 30 day period, then cover will operate as if

it had been paid on the due date. No claims will be paid for any **accident** that occurs after the 30 days have passed if the premium remains unpaid.

8. Residence outside the Republic of Ireland

Cover under this policy cannot continue for an **insured person** who resides outside the Republic of Ireland for more than 180 consecutive days. Cover will be cancelled from the 181st day that an **insured person** resides outside the Republic of Ireland. Please tell **us** as soon as this happens so there is no overpayment of premium.

9. Complying with the policy

To have the full protection of this policy **you** must comply with the conditions outlined in 'Section 12 - Claims procedure', which are conditions of the policy. Failure to comply with these conditions may determine whether **we** deny any claim made under this policy or the amount **we** pay to **you** in the event of a claim.

10. Insurance Act 1936 (or future amendments thereto)

All monies which become or may become due and payable by **us** under this policy shall in accordance with Section 93 of the Insurance Act 1936 be payable and paid in the Republic of Ireland.

11. Finance Act 1990 (or future amendments thereto)

The appropriate stamp duty has been

or will be paid in accordance with the provisions of Section 5 of the Stamp Duties Consolidation Act, 1999, as amended.

Section 9 – Cancellation and cooling off period

Cooling off period

If the cover does not meet the **policyholder's** requirements the **policyholder** may cancel this policy within 14 days of the policy **effective date** shown on the **schedule** or within 14 days of receiving the policy and **schedule**, whichever is the later. **We** will give the **policyholder** a full refund of any premiums paid less any claim payments. Refunds will be returned to the **policyholder** within 5 working days from the date **we** receive notice of cancellation from the **policyholder**.

Cancelling the policy after the cooling off period

The **policyholder** may cancel this policy by giving AIG Europe Limited notice in writing to AIG Europe Limited, 30 North Wall Quay, International Financial Services Centre, Dublin 1 or by e-mail to postmaster.ie@aig.com

We may cancel this policy by giving the **policyholder** 30 days notice in writing to the **policyholder's** last known address.

For monthly paid policies, cover will

stop from the next premium due date following the date we receive notification of cancellation. For annually paid policies, cover will stop on the first day of the next calendar month following the date **we** receive notice of cancellation.

For annual policies, the premium for the period up to the date when the cancellation takes effect will be calculated and any unused portion of the premium which has been paid in advance will be returned to the **policyholder** less any claim payments. The **policyholder** is responsible for promptly telling other **insured persons** that the policy has been cancelled.

No person other than the **policyholder** has the right to cancel this policy.

Section 10 – Fraud or false information

By the **policyholder**

Any fraud, deliberate dishonesty or deliberate hiding of information connected with the **policyholder's** application for this policy or in connection with a claim, will make this policy invalid. In this event **we** will not refund any premiums and **we** will not consider for payment any claims which have not already been submitted to **us**.

Where claims have been made by **insured persons** (other than the **policyholder**) under this policy, but remain unpaid, prior to the discovery of such fraud, deliberate dishonesty or

deliberate hiding of information, where the **insured person** making the claim had no involvement in it, such claims will be considered for payment in the usual way.

By the **insured person**

Any fraud, deliberate dishonesty or deliberate hiding of information by an **insured person** at any time will make this policy invalid for that **insured person**. If this happens, the **insured person** will lose any benefit due to them and they must pay back any benefit that **we** have already paid. If this occurs, **we** will not refund any premiums in respect of that **insured person**.

Section 11 – Payment of benefits

The accidental death benefit will be paid to **your** legal representative or executor and their receipt will discharge **our** liability under the policy. Any other benefit due will be paid to the **insured person** who is the subject of the claim except in the case of a **child**, when it will be paid to the **policyholder** provided that they are a **parent** of the **child** otherwise it will be paid to the **child's parent**.

Section 12 – Claims procedure

We must be notified as soon as reasonably practicable after the

accident of a claim, by completing a claim form and returning it to **us**. **You** can call **us** on 01-2081400 to request a claim form or, email us at claims.ie@aig.com

Failure to notify **us** may result in **our** rejection of the claim if it is made so long after the event that **we** are unable to investigate it fully, or may result in the **insured person** not receiving the full amount claimed for if the amount claimed is increased as a result of the delay.

Claims are to be notified to:

The Manager

Claims Department, AIG Europe

S.A., 30 North Wall Quay, International Financial Services Centre, Dublin 1

Telephone: 01 208 1400

E-mail: claims.ie@aig.com

We will ask for a reasonable amount of information as evidence in support of the claim at no expense to **us**, including information to show that the **bodily injury** is a result of an **accident**. If the information supplied is insufficient, **we** will identify the further information which is required.

If **we** do not receive the information **we** need, the claim could be rejected.

We may ask **you** to attend one or more medical examinations. If **we** do, **we** will pay the cost of the examination(s) and for any medical reports and records and **your** reasonable travelling expenses to attend, if these expenses are agreed by **us** in advance. If **you** fail to attend without reasonable

cause, then **your** claim may be rejected.

You must give **us** permission to obtain medical reports or records needed from any **doctor** or **medical consultant** who has treated **you**; otherwise **we** may not pay the claim.

If **you** have an existing physical impairment or medical condition **we** may ask an independent **medical consultant** to assess how this contributes to the claim. Please see 'Section 7 - Existing medical conditions' of this policy for further details. If **your** injury is not described in the **table of benefits** **we** will assess it in a certain way.

If **you** die, **we** have the right to ask for a post-mortem examination at **our** expense. If this is refused, **we** may not pay the claim.
