

## Product Suitability – Cancer Care Plan

This Cancer Care Plan is designed to provide financial and wellbeing support, in the event that, you are diagnosed with a new cancer which is not connected or related to any other cancer you may previously have been diagnosed with. This cash benefit is designed to help you with the financial consequences and implications of a cancer diagnosis. In addition, we provide a range of health and wellbeing services.

This Cancer Care Plan is suitable for persons aged 18 to 74 years and has a cooling off period of 14 days. The premium is deducted each month from your credit card and cover continues up to your 75<sup>th</sup> birthday. Premiums increase as you get older (every 5 years).

This policy does not affect your private health insurance and unlike private health insurance, our Cancer Care Plan is designed to pay a cash benefit directly to you in the event of a cancer diagnosis.

You can use this cash benefit however you wish, such as to help pay for taxis to and from hospital, cover expenses while you are off work, adapt your home to help you live independently after your illness, or to take a holiday to get over your illness or during treatment. You can even use the cash to help pay for treatment not available on the national health system.
