What are my obligations?

- When applying for your policy, you must take reasonable care to answer the questions you are asked honestly and carefully. Please note that failure to do so may result in your policy being cancelled or we may refuse to deal with any claims or reduce the amount of a claim payment, as detailed under the Impact of Misrepresentation section, which you should read carefully.
- You are required to contact us if you or anyone else insured by the policy has a change in health after you have taken out this insurance
- You or the Insured Person must take all reasonable steps to avoid or reduce any loss (for example, the Insured Person should use their EHIC card if they have one and they receive hospital treatment in a participating country)
- If you or the Insured Person make a claim, you or they must notify us as soon as possible, provide documents and other evidence that we need to deal with the claim
- You or the Insured Person must pay back any amount they are not entitled to (for example, if we pay your claim for lost luggage but the airline then finds and returns your luggage to you)
- You must contact us immediately or as soon as reasonably possible, if any of the answers or information provided is inaccurate or has changed beyond what was reasonably contemplated when the contract of insurance was concluded as this may affect the cover provided and any claims made by you or an Insured Person on the policy

When and how do I pay?

Premium is paid by you at the time of application.

When does the cover start and end?

- Your policy start and end dates will be confirmed in your Certificate of Insurance. Alternatively, it will end on the earliest of the following
- You or we cancel the policy
 - The policy is not renewed on the renewal date

How do I cancel the contract?

You have 14 working days from the date you purchase this cover to contact your insurance broker or us if you want to cancel your policy. This is known as a cooling-off period. If you cancel your policy within this period, we will refund the premium you have paid provided no Insured Person has travelled and there hasn't been a claim (or an incident that might lead to a claim). Following the expiry of the cooling off period you continue to have the right to cancel your policy at any time by contacting your insurance broker or us, in writing, and a pro rata refund will be allowed.
